

OFFER ANALYSIS

Period: April 2024 - April 2026 | **Scope:** Sales Co France - Marc Chevallay | **Focus:** Offers > €2,500

1. THE ESSENTIALS

The analysis of commercial activity over the period from April 2024 to April 2026 reveals a heavily concentrated portfolio, where qualified offers above €2,500 represent a cumulative total value of €9.24 M. Although these major transactions account for only 35.4% of the total volume of offers issued (323 out of 914), they show a high average amount of €28,600 per deal. Overall performance rests critically on a narrow core of 108 distinct customers, with the top 4 accounts alone representing more than half of the cumulative value of this segment.

2. KEY FIGURES (OFFERS > €2,500)

FINANCIAL & COMMERCIAL INDICATOR	OBSERVED VALUE	SHARE OF PORTFOLIO / CONTEXT
Total Cumulated Value	€9.24 M	100% of qualified offers in the segment
Average Amount per Offer	€28,600	Average per qualified offer above €2,500

3. PERFORMANCE ANALYSIS

Strengths (Positives and levers)

- **Caterpillar, undisputed leader:** Champion in volume and regularity with 29 major offers (60.4% of its total portfolio), representing €864k cumulated. This is the number-one priority client.
- **High unit-value accounts:** Bossard France SAS and Manitou BF show exceptional average basket sizes (€113,833 and €96,343 per offer respectively), making them major financial stakes at every signature.
- **Absolute targeting efficiency:** TE Connectivity Sensor Solutions and SRTTH show a perfect 100% conversion rate of qualified offers > €2,500 on their accounts.
- **Productive concentration:** The top 4 clients (Caterpillar, Manitou, Claas, Bull) alone secure 50.8% of the total value above €2,500.

Weaknesses

- **Under-optimization of key accounts:** Liebherr (88 offers) and Arquus (54 offers) generate a massive total volume, but only 21.6% and 33.3% of their offers respectively exceed the €2,500 threshold.
